## Frequently Asked Questions

### What is PCA's Mission?

The Mission of Professional Cheerleaders Alumni is to be positive role models who are committed to having an impact on communities by providing service, opportunities, and support to activities that benefit women and children for charitable purposes.

### Is PCA affiliated with a larger organization or corporation?

No. PCA is a non-profit incorporated business registered through the State of Florida by former Jacksonville Jaguars Cheerleaders Donna Windsor and Kristin Doakes in 2007. PCA's goals are to form chapters with other Professional and Semi Professional Cheer/Dance Alumni organizations. PCA is also not legally bound to any Professional or Semi Professional team, but may work alongside them.

### What other Charities do you work with/support?

The organization's goals are to build strong and lasting relationships with communities that share our mission to help women and children in need.

### How can I get involved?

If you were a member of a Professional or Semi-Professional Cheer/Dance Alumni team and are interested in joining PCA or forming your own Chapter in your community, please contact one of our PCA Board members for further details.

### What is an Honorary Member?

An Honorary Member is an individual who has volunteered their time on a Professional or Semi-Professional Cheer/Dance team. For example, they may have been cheerleaders/dancers who served on a Promotional level or Volunteered as a Staff member for a full year. Some Honorary Members were invited to join our organization, because of their dedication in services, such as Field Staff, Guest Vendors or Choreographers. An Honorary Member must have the approval of the PCA Board.

### Can I request members of Professional Cheerleaders Alumni to perform at my event?

Yes. Members of the PCA are available to perform at events for a fee. The fees are determined by the level of request (how many alumni, length of

performance, etc). Please contact one of our PCA Board members for further details.

### Can Honorary Members serve as Board Members?

Yes. All positions are voluntary; each member donates their time freely. These are not paid positions and serving on the board requires a great deal of time and dedication. Some members have strong backgrounds in the legal, accounting, graphic/web design etc. Any member who has strong resources is necessary to the success of the PCA organization.

### How are the membership dues and other money spent?

All dues and donations paid will fund PCA's Community Grant Programs. Additional funds raised will go towards the capital operating expenses (website, legal/filing fees, uniforms for members, etc.). There are no paid employees. The Board of Directors determines how the money is spent. The PCA Statement of Account is public knowledge and may be reviewed or audited at any time. At the end of each accounting year (calendar year), the balance of the PCA's bank account, minus operating expenses for the following year will be donated to the charity organization chosen by votes of it's members.

### I don't have time to volunteer, how can I contribute to PCA?

If you can not contribute your time, you may still contribute a monetary donation, which is 100% tax deductible. PCA also will contract with local businesses for sponsorships, discounts for our dues-paying members, and other charitable donations.

### How can I become a Board member and what is the voting process?

In its first year (2007), PCA Board members were appointed by the President and Vice-President based on their dedication, commitment, and amount of time they volunteered as an alumni. There are sub-committees that members may volunteer for, such as the Grant Committee, Social Committee, and Charity Committee etc. New Board members may be nominated and elected according to the PCA bylaws.
